BLAZING GINGER

COMPANY OVERVIEW

At Blazing Ginger, we specialize in enhancing corporate cultures through our innovative training and development solutions, using AcuMax assessments as our foundation.

SERVICES INCLUDE

- **AcuMax Assessments**
  Leverage neuroscience based assessments for targeted hiring and enhanced employee satisfaction, leading to increased productivity and profitability.

- **Leadership Training**
  Comprehensive modules covering essential skills such as strategic leadership, trust building, conflict resolution, effective communication, and multidirectional management.

- **Presentation Skills Training**
  Overcome public speaking anxiety with our Fearless Presentations® workshop and personalized coaching by certified instructors or as customized on site training for companies.

- **Philanthropic Team Building**
  Foster teamwork and community engagement through unique, charity driven events like Build-A-Bike® and Rescue Bear®.

DIFFERENTIATOR

Leveraging neuroscience, not social science, our AcuMax assessments ensure superior accuracy in capability assessments. This approach has secured a 93% client renewal rate and long-standing partnerships lasting over a decade.

VISION STATEMENT

At Blazing Ginger, we optimize environments to maximize individual potential, thereby reducing turnover and boosting organizational productivity and engagement.
